Scotland Food & Drink, in partnership with STEP and Forth Valley & Lomond and Stirling Council, invites you to discover the very best of Forth Valley's food and drink producers, all under one roof.

Scotland has an incredible range of quality produce right on its doorstep, with consumers placing a growing importance on where their food and drink comes from.

With a mix of pre-arranged one-to-one meetings with suppliers and a networking lunch showcasing an array of local produce, our one-day regional 'meet the buyer' event gives you the flexibility to discover new and exciting suppliers.

Whether you are a restaurant, café, bar, hotel, B&B, visitor attraction, deli or retailer, by connecting with new suppliers you'll be able to:

- Meet growing consumer demand for great quality Scottish produce
- Showcase a wide variety of exceptional local produce from the region
- Use Scotland's world-famous provenance to take your customers on a unique Scottish food and drink journey
